Re: Foster Care Recruitment

To Whom It May Concern:

I hope this letter find you well. My name is Gerald Grube and I am the Resource family Unit recruiter for Warren County. At the present time, our agency is looking for Foster and Adoptive parents for some needy children in our state. As part of our recruitment duties, we are getting out into the schools of our county and spreading word of our need to faculty, parents and friends. We are asking some of our schools if we can collaborate at some capacity in order to recruit perspective foster/adoptive parents. If it is something as much as speaking at a teachers in service, or something as little as permission to allow us to post a flyer in a teachers lounge we would appreciate it.

I would ask if you could please get back to me if this is possible, or if you could please have someone get in touch with me or my Supervisor in order to arrange for a collaborative community effort in the future. Please call me at extension 2015 or Kelly Downing at 908-730-7782, extension 2010. I do look forward to working with you some time in the very near future.

Sincerely,

Gerald Grube
Resource Family Support Worker
