

January 6, 2010

Dear Eighth Grade Parents,

As you are already aware, the 8th grade students will be attending an orientation session for incoming students at Belvidere High School on Monday, January 11, 2010. The 8th grade students will be picked up by the regular high school buses en route to the school. Please be aware that this means that students will need to be ready for the buses much earlier than normal. The high school day starts at 7:45 AM. We will call all parents with the specific pick up time and location by the end of the day on Friday. The students will return to Harmony by bus at approximately 10:45. Please remember to send your children with everything needed for the rest of the school day here. Attached to this letter you will find a permission slip for the orientation. Please complete this slip and return it to school by the end of the day on Friday. All students are strongly encouraged to attend the orientation even if they have already applied to Warren County Technical School or a private high school.

In addition to the student orientation, a parent orientation will be held on Monday evening at 7:00 PM in the high school auditorium. We anticipate receiving scheduling materials by tomorrow and will send them home with students tomorrow afternoon. Please contact me with any questions or concerns.

Sincerely,

Jason R. Kornegay
